Annual Town Report

2019 ANNUAL TOWN REPORT DEDICATION

This year the Annual Town Report is dedicated to the Brownville Fire Auxiliary and the many other volunteers that give their time to help this community. Thank you all!

The auxiliary has come together to support our Firefighters and continues to work to raise funds to provide the Fire Department with items that the budget may not cover. Currently they are working to purchase uniforms. Their plan is to do another auction and dinner this spring so be on the lookout for future fundraising activities.

TOWN OF BROWNVILLE

OFFICE OF THE TOWN MANAGER

Dear Residents,

We are pleased to present the 2019 Annual Town Report for the Town of Brownville. The past year seems to have flown by and once again the Budget committee, Board of Selectpersons, Kevin Black and I have worked hard to provide a budget without a significant increase. It is not an easy task to develop with all the increasing costs. We want to be able to provide the same services that the Town has relied on over the years.

I would like to say Thank You to all the Town employees and Boards for working with me to make Brownville a great place to live. We are fortunate to have the dedicated staff that we do. Everyone works well together to help the Town run smoothly.

I would also like to Thank Nick Jenkins for his time serving as a Board member. His term will expire this month and he has chosen not to run again, so we will be welcoming a new Board member after Town meeting.

This summer we would like to celebrate Brownville Days again. A few years ago it was decided to hold this celebration every 5 years. It continues to be difficult to find the people interested in being on the committee for this celebration so I am asking for your help. Our next meeting will take place on Tuesday, March 24, 2020 – 6:00pm at the Town Office. Please consider attending. Currently we have a very small committee and without additional help we may not be able to organize the celebration. We look forward to new members and ideas for the Brownville Days committee.

Please know that my door is always open. If you have ideas, concerns or suggestions please feel free to talk to me or any of our Board members. We work on your behalf and want your input. The Board meetings are always open to the public.

Sincerely,
Kathy K. White
Town Manager / Town Clerk

“Caring For the Community since 1970”

To the Town of Brownville:

This year we were awarded a Grant from the USDA Rural Development for a new 2019 PL Custom Ambulance. The grant covered 75% of the cost of the new Ambulance and took delivery of it in May. We currently have two of our Emergency Vehicle Operators in class for Basic EMT, and another EVO starting the Basic class in January.

We would like to thank Milo Fire First Responders for all the help they have given us this past year. We continue to work well together in providing the best care possible for our community. Thank you to the Milo Police Department and Piscataquis Sheriff's Office for being on scene to lend a hand and ensuring that the crew is safe, when needed. Also, the Milo Public works for clearing the snow from our parking lot to make sure we are able to go out when called.

We had a total of 818 calls with 199 of them being no transports. No transports are the calls when we do not transport a patient due to being cancelled enroute, structure fire/ police stand-bys, or the patient decides they do not want to go to the ER. Sometimes the patients are treated on scene and after decide they felt it was not necessary to go to the hospital. Our mutual aid services, Mayo Regional Hospital EMS and Old Town Fire Department covered calls when we were unavailable.

WATER AND SEWER DEPARTMENTS

Administration & Collection Report

In 2019, we served an average of 361 residential and 31 non-residential water accounts. While many pay their bills in a timely manner, we mailed a total of 409 disconnection notices, with 10 actual disconnections occurring, and 5 reconnections following disconnection. We also negotiated 78 payment arrangements throughout the year. In 2019, we billed customer accounts a total of \$232,963 for water service. At year end, the Brownville Water Department had a total accounts receivable (outstanding customer accounts) balance of \$3,566.15 (principle only). This included 26 accounts with credit balances of \$2,751.72 and 46 accounts with outstanding balances totaling \$6,317.87 (principle only). The Department followed Maine Public Utilities Commission Rules for disconnection due to non-payment and lien procedures to secure outstanding balances.

Sewer customers were billed a total of \$171,829 for sewer service in 2019. At year end, the Brownville Sewer Department had a total accounts receivable (outstanding customer accounts) balance of \$18,868.07 (principle only). This included 6 accounts with a credit balance of \$596.31 and 91 accounts with outstanding balances totaling \$19,464.38 (principle only). The Department followed lien procedures to secure outstanding balances.

Water and Sewer Department Operations

Personnel were quite busy responding to issues related to operation of the water and sewer systems. In total, 14,073,600 gallons of water were produced in the Village and Junction systems. Much of the Department's time was spent with routine maintenance, flushing, testing, and operations within the systems to ensure compliance with our license standards. We invite folks that would like more information about our specific operations to review the Consumer Confidence Report that we have on file each spring.

In 2019, the Brownville sewer systems (11 small subsurface systems in the Village and one more traditional subsurface system in the Junction) treated 11,666,950 gallons of influent (waste). Much of the Department's time was spent with routine maintenance, testing, and operations within the systems to ensure compliance with the standards outlined in our various wastewater licenses.

Just a reminder, the ONLY items that should go into the toilet are human waste and toilet paper!

2019 Recreation Department Report

The Recreation Department wrapped up another successful year in 2019 where we were able to offer many different recreation programs for all age groups. This year would not have been successful without the help of our limited and seasonal part-time staff and volunteers. Shout out to Hazen Conlogue and Andrew Conklin for the countless volunteer hours they put in with field maintenance. Also, Beth and Jason Heal for always stepping up to help out with anything and everything, thank you for always going above and beyond for the Rec. Department.

In 2019 work continued at Davis Field. Penquis Junior High Baseball/Softball teams completed their second season in Brownville Jct. The new bathroom received an on demand hot water tank thanks to a generous donation from Graves Service Station. A group from JSI donated their time to complete the new storage shed to house equipment. Fundraising efforts began for an electronic scoreboard for the front field.

The Brownville and Milo Recreation Programs continued to work very closely in a partnership that has grown over the past few years. Working together allows us to provide more programs at a lower cost and to keep programs alive with dwindling numbers.

We once again were able to partner with the YMCA, MSAD #41 and our local Kiwanis to offer a swim program. Without the Kiwanis' contribution to this we would not be able to offer this fabulous program, which sends up to 40 children to swim, many thanks to them.

We need to thank MSAD #41 for allowing us to use the Brownville Elementary School for our winter youth basketball programs. This collaboration is part of a service swap agreement between the school, for plowing services, and the Town, for use of the building, aimed at saving the taxpayers money. The Recreation Department would like to send out a special thank you to the janitor at Brownville Elementary who is relentless in her efforts to help things run smoothly when we are there. Thank you Miss Heidi Thomas.

Brownville Free Public Library

2019 Report

Over the past year the Brownville Free Public Library circulated nearly 1,250 books, 30 audiobooks and just over 500 DVDs. The Library welcomed 30 new patrons and had a total of 1,759 visits. Over the course of 2019 we received several donations of books, DVDs, audiobooks, puzzles and games. These donations are essential in keeping our collection diverse as well as current. Thank you to all who donated! The library also offers free Wi-Fi (24/7), 4 public computers and copying & faxing services. These great extras were used close to 700 times in 2019. In November the library was recognized for organizing activities and programs for our community by the Spirit of America Foundation at their annual awards ceremony at the Grange Hall in Sangerville - what an honor! Remember, if you ever need assistance using a computer or any other device - we can help!

During 2019 the library hosted the following activities/programs:

- 5th annual Easter egg hunt - Almost 30 “hunters”
- Maine Humanities Council “Let’s Talk About It” book group - 7 readers
- “Books for Nooks” sponsored by the Pleasant River Lodge of Masons - 50 book slips entered
- August open house and book sale - 16 visitors
- BFPL Book Group - 9 Readers
- Halloween - 25 Trick-or-Treaters
- “Candy Canes, Cocoa & Crafts” - 11 participants

As always, everyone at the Brownville Free Public Library is very pleased to have had the opportunity to serve our community for another year and we would like to thank everyone who has supported us, volunteered time or made donations to help along the way! If there is anything we could do to better accommodate our community, please let us know and we will do our best to make improvements.

Respectfully submitted,

Autumn Chadwick, Library Director

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

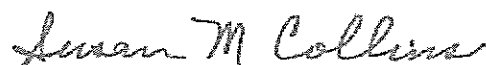

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

A Message from Senator Paul T. Davis, Sr.

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at (207) 343-0258 or Paul.Davis@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Paul T. Davis, Sr.

Citizens of Brownville,

It is an honor and a privilege to serve in the 129th Legislature representing Brownville. My work serving on the newly created Innovation, Development, and Economic Advancement (IDEA) Committee has been focused on developing a strategic plan to support and develop an economy that is uniquely Maine economy that is derived in agriculture, aquaculture and manufacturing. We are working towards long-term planning that is needed to accelerate Maine's economy.

The legislature came together this year to relatively quickly pass a budget. While I have some concerns about the increase in total spending, I am happy overall because I do believe that this budget practices fiscal responsibility by adding \$20 million to the "rainy day fund", providing funding to provide healthcare for those who otherwise couldn't afford it, and not spending beyond our means. This budget also doesn't increase taxes and will be providing much-needed property tax relief.

Also included in this year's budget are increases in municipal revenue sharing, up from 2 to 3% in 2020, and to 3.75% in 2021. With state revenue projections turning out higher than originally expected, the numbers are better for the towns to pay for local services like schools, public safety and road maintenance- instead of relying on property tax increases. Brownville will be receiving \$133,223 in 2020 & \$174,076 in 2021- this is an additional \$135,610 & \$276,945, respectively, more than the last approved budget in 2017. This is great news for taxpayers.

Things haven't been totally ideal in Augusta. Over the summer, the legislature was called back for a special bond session that would provide funding on the roads, land conservation, environmental protection, and broadband internet development. I was a proponent of the broadband bond because it would have benefitted Piscataquis County especially with how only 76% of our homes have access to high-speed internet. ***Only the transportation bond passed.*** I still believe the legislature can do something big on bringing broadband internet to our corner of the state and I will continue to advocate towards this.

This next session, we have a lot of big issues that we have to figure out. Please get in touch with me to share your opinion on pending legislation or if you need help with any government agency. I am at your service and proud to share our story as a community.

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of voters in advance of the Annual Town Meeting day. It should be kept in mind that if copies are left at home, there may not be enough remaining to go around on Town Meeting day. This year or any year; it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you to the Annual Town Meeting on Monday, March 16, 2020.
